### LARGE DECREASE IN SALMON FISHERIES

Total Pick Month Less Than Last Year—Fishes Rare Catch Only One in Three

NEW WESTMINSTER, B.C., Oct. 25.—A drop of 30 per cent in British Columbia salmon catches this season is reported by the Dominion Fisheries Commission. The total pick for the month of October was only 1,200 tons, compared with 1,800 tons in the same month last year. The decrease is attributed to a combination of factors, including a late start to the season and a general decline in the number of fish caught.

## COAL OUTPUT INCREASES AS WINTER NEARS

While Variation Exists in Other Coal Fields, Little Change in Notable in Island Collieries' Output

### STATISTICS FOR SEPTEMBER

The output of coal for the Province of British Columbia for the month of September was slightly in excess of what it was in the preceding month of August. It was 1,040,000 tons, an increase of 100,000 tons over the output for August. The Vancouver Island collieries produced 88,000 tons, while in August the output was 86,000 tons. The output from the various Island collieries was somewhat varied between the two months, but the total for September was 1,040,000 tons, while in August it was 940,000 tons. The output from the various Island collieries was 88,000 tons in September, compared with 86,000 tons in August. The output from the various Island collieries was 88,000 tons in September, compared with 86,000 tons in August.

### SAANICH BALL IS WELL PATRONIZED

From An Awarded for Beautiful Customers at Vancouver—Mainly Women

The annual Saanich Ball, held at the Saanich Hotel, was a great success. It was well patronized by a large number of guests, many of whom were women. The ball was held on a beautiful night, and the music was excellent. The dancing was very popular, and the evening was a most enjoyable one.

## BETTER LINK TO ISLAND IS CONTEMPLATED

Deanna and Horby Islands Would Have Improved Ferry Service to Buttery Bay, Connecting With E. & N.

### RAILWAY PREPARED TO STOP TRAINS

Witness of the growing importance of Deanna and Horby Islands, which have a population of upwards of 400 people in summer, the Island Railway has decided to build a new line to connect the islands with the mainland. The new line would be built from the existing line to the islands, and would be a very important link in the railway system.

## How's the Digestion?

Not good? What means little pain after eating? Not much appetite? Frequently you just can't get to sleep for heartburn, feeling in the stomach? Or gas forms, starts the belly fluttering and makes you nervous?

A morning glass of Asany's will help you get rid of all these digestive troubles, as quickly as the sun melts the snow. Asany's corrects indigestion because it thoroughly cleanses the whole digestive tract. It is a natural, non-toxic, and harmless remedy, and promotes the flow of digestive juices.

It also tones up the liver, regulates the bowels, and prevents that tendency towards Constipation which too often adds to your distress when the digestion is not right. A morning glass of Asany's and soon you eat, sleep and feel better.

Take... **ABBEY'S** For Morning Relief Salt

For the relief of indigestion, heartburn, and all the troubles of the digestive tract, take a morning glass of Asany's. It is a natural, non-toxic, and harmless remedy, and promotes the flow of digestive juices.

At a meeting held in the Chamber of Commerce yesterday morning, the result of the election of the new board of directors was announced. The members approved a proposal to build a new line to connect the islands with the mainland. The new line would be built from the existing line to the islands, and would be a very important link in the railway system.
